Michael:

The **Five Year Review Report Issues / Recommendations** updates are due to me by Thursday, November 4, 2021, for the following 4 sites:

- o Advanced Micro Devices, Inc. (attachment Michael Schulman 5YR)
- o Intersil Inc. / Siemens Components (above attachment)
- o Triple Site (above attachment)
- o TRW Microwave, Inc. (Building 825) (above attachment)

You are free to update anything, but the circled items must be (or should be considered to be) updated.

The **Work Enforcement Instrument Compliance** updates are due to me by Thursday, November 4, 2021, for the following site:

- o Signetics, Inc. (attachment Michael Schulman WEIC)

Let me know if the instruments for the sites are still in compliance [not in substantial noncompliance (SRNF)]. However, if any of the instruments are not SRNF, please refer to the Compliance Status Values attachment, and let me know what status value we should be using instead.

Please let me know if you can not meet this due date.

Thank you.
